Toggle Switches

[LEARN MORE](#)

**Meets or exceeds all
UL requirements
(SAM Manual) for
power supply spacing
to other heat producing
components**

**Pilot hole for special
use ON/OFF switch in
a convenient place
with room to fit all
switches available**

**Built-in primary barrier
to aid in segregating
primary wiring from all
secondary leads**

**Double box may hold
two (2) 120W 12VDC
power supplies**

**Simplifies ground
requirements for most LED
drivers (Equipment Ground
Connector already installed)**

**Using our patented side wall
clips and clamp system makes
mounting power supplies easy
on double power supply box
(accommodates most used
LED drivers)!**
